

# CF Richmond Centre

CF Richmond Centre, situated at the terminus of the Canada Line and the hub of City Centre Richmond, is well positioned to capitalize on the expansive condominium and population growth the city is experiencing. Three development projects have culminated with the addition of numerous best-in-class retailers, in addition to an architecturally stunning Dining Terrace.

A \$2.1-billion, 27-acre, master-planned community in the heart of Richmond will ultimately transform this transit-oriented site into a thriving mixed-use community centre.
